**AN IMPORTANT VALID USE DATE CHANGE:** As noted in last month's RS Tables, a Valid Use Date (VUD) of 31July2020 had been assigned to various current and previous lots as a result of revisions to USP General Chapter <11> and the General Notices which were originally scheduled to become official on August 1, 2020. This official date has since been extended to November 1, 2020. [Click here](#) to read the Compendial Notice. As a result, the VUD of the impacted lots will be extended to 31October2020. Refer to [this table](#) for a list of impacted lots. As always, be sure to check the validity of a lot in the online [USP store](#) prior to purchase and use.

**DON'T FORGET:** Be sure to review the Not Yet Official versions of General Chapter <11> *USP Reference Standards* and the General Notices which were posted in the USP-NF Online publication on February 1. They will become official on November 1, 2020.

Previous months' tables can be viewed on our [website](#). [Click here](#) to learn about additional newsletters available to stay up to date on other USP offerings and programs such as education and training, monograph modernization, and compendial updates.
