USP-NF Update (cont.)

- Three official publications per year: online only, no print or flash drive
 - No change to publishing dates or official dates
 - One source for official text
 - Starting with *USP-NF February 2020* (previously known as *First Supplement to USP 43-NF38*)
- New Official Publication Title
 - Official publications will be titled with publication date; the term “Supplement” will be eliminated
 - “USP-NF February 2020”
 - General Notices will communicate that the revision/edition increases with each publication, three times/year (not just once/year as it does now)

Publication Title	Revision
USP–NF February 2020	Forty-fourth revision of the USP Thirty-ninth edition of the NF
USP–NF June 2020	Forty-fifth revision of the USP Fortieth edition of the NF
USP–NF November 2020	Forty-sixth revision of the USP Forty-first edition of the NF
USP–NF February 2021	Forty-seventh revision of the USP Forty-second edition of the NF
USP–NF June 2021	Forty-eighth revision of the USP Forty-third edition of the NF
USP–NF November 2021	Forty-ninth revision of the USP Forty-fourth edition of the NF

- “Paper Edition, Non-Official”
 - Snapshot in time from the previous year’s three official publications
 - Will not contain revision markup
 - If there is no interest in a print publication, may provide as a print-format PDF on flash drive only
- Revision markup will include the revision mechanism and the official date
 - “(USP 1-May-2020)”, “(NF 1-May-2020)”, “(ERR 1-May-2020)”, “(RB 1-May-2020)”, “(IRA 1-May-2020)”, etc.
